### ABOUT THE DIRECTOR

Mr. Tarkeshwar Pandey has been a passionate Researcher in the field of paints & had worked with major Paint companies in India & Abroad in his vast working experience of 40 years career. He had been working with the market giants in this industry like ESDEE PAINTS & SUNSHINE PAINTS as Quality Incharge & Manager of the factories at various locations

Mr. Pandey had been visiting abroad destinations like to do his research & assist the researchers abroad in this long duration of his active career in the Paints Industry which is around 100 years old in India.

With his and knowledge he has developed his very own way of developing paints. He had been working as an individual marketer of his own paint for few years & then decided to open his own Paints firm based in Ahmedabad in 2021.

When asked about his business virtues, Mr. Pandey conveyed his thoughts with the famous saying by Bill Gates –

**“ Your most unhappy customers are your greatest source of learning.”**

# OUR MISSION

Vision of the company is to be acknowledged as best quality paint manufacturer when compared to leading players, with a view that always a first time right product to be supplied to the customer. Shrirang has enforced an enviable reputation of excellence and quality in manufacturing products, designed to meet customer's requirement. Shrirang has developed a range of high performance paint products for industrial and automotive segments with second to none. As a result of intensive research and testing, many products have been designed specifically as per customer guidelines, so that customer is satisfied completely. All products are backed by a technical team to maintain product quality and we are constantly researching new and improved technology to enhance the product performance. Innovation and constant attention to quality along with the ability to problem solving has assured us a good place in market. An increasingly sophisticated customer asks for even more sophistication from Manufacturer, this trend follows in Paint market also. Shrirang continues to meet its customer requirements and even exceeds sometimes customer expectations.
